1/10/69

Dear Gary,

In my haste to do too many things I didnot respond to several parts of your 1/7/69.

I have not seen your letter to Penn. I think from now on it you'd best forget about him until, as I think he will, he comes around on his own.

If by the Palmer memo you mean the long thing I did too fast in N.O., I think I asked Paul to forward when he finished.

I have nothing on Horsey. If you reall feel it is worth the effort to keep up with a nonstop liar, Helen Hartmann knows most. Her address is (Mrs.) 4666-27th Ave., St. Petersberg, Fla.

Pay first attention to your school work.

Sincerely,
